DAIRY CATTLE JUDGING CLINICS FOR 4-H AND FFA YOUTHS

Friday, August 1 - Cooper Arena, 3:00 p.m.

Thursday, August 7 - Cooper Arena, 3:00 p.m.

Two separate judging clinics will be held during the 2008 Ohio State Fair, one during each week. **ALL** currently enrolled Ohio 4-H and FFA **YOUTH** are welcome to participate. Registration will take place 30 minutes prior to the start of each clinic. Judging will consist of 4 separate classes representing both heifers and cows of the breeds available. Senior division contestants will give two sets of oral reasons on two cow classes. Junior division contestants will also be encouraged to present reasons, but a reasons score will not be tabulated.

Although this event is termed as a clinic so that classes can be discussed after cards are turned in, it is also a contest in which individual results will be tabulated and posted. Participants will be able to view results on the bulletin board just outside of the dairy office as they become available.

Overall winners in both junior (14 yrs or under) and senior (15 yrs and over) divisions will share in premiums as follows:

Senior Division -	\$30	25	20	15	10	10
Junior Division -	\$30	25	20	15	10	

YOUTH RESERVE PROGRAM

2008 Junior Breeding Dairy Cattle Champion

Each **designated breed champion** will receive **\$90** from the Youth Reserve Program. There are **12 dairy champions for a total of \$1,080**. **Designated reserve breed champions** will receive **\$70** each. **12 recipients will share a total of \$840**. Designated **showmanship winners** will share a **total of \$2,185** for a **grand total of \$4,105** being paid out to Dairy Cattle Exhibitors.

An additional **\$420** will be awarded to participants in the **two judging contest** sessions held during the Ohio State Fair.

ENTERING PROCEDURE

All regular entries close June 20. You must have registration papers when you arrive at the fair for verification of identity of the animal. Upon arrival and check-in, the dairy office staff, will provide entry cards.

ON GROUNDS ENTRY PROCEDURE: After identity of each animal has been verified, papers will be filed in the superintendent's office until the conclusion of the breed show. All papers will be returned to each exhibitor, or appropriate representative, prior to release of cattle.

Breed association representatives will check cards and papers and the Superintendent's Office will assemble the classes. A program for each breed will be printed listing animals to be shown during show.

All junior dairy exhibitors are subject to "General Rules and Regulations" . Note especially that all animals are to be owned by and in the complete custody and under care of the exhibitor on or before June 1.

FITTING JUNIOR SHOW ANIMALS: Junior exhibitors *must* fit their own animals for the junior show. Assistance, if needed, may be supplied prior to the junior show by the following members of the exhibitor's **immediate family (parents, grandparents, aunts, uncles, brothers or sisters) or another junior member** while on the Ohio State Fairgrounds. Such persons must be registered with the department's superintendent and **only one person may be registered per animal**. 4-H advisors and FFA instructors may **instruct only**.

1. **Only** two (2) animals per class can be shown by any exhibitor.

2. Cattle registered in alternate, supplemental or parallel herdbooks shall be eligible to show according to the current guidelines established by each Breed Association relative to their respective national shows. For example, this may include Holstein cattle which have reached "Qualified " status.

3. Herd Unit - If a herd is registered in the names of the immediate members of a family, these persons may combine their entries as a "Herd Unit" and be considered as one exhibitor. In order to qualify as a "Herd Unit," all animals must be kept in the same herd. Animals bred by any of the members of the Herd Unit will be considered as having been bred by the "Herd Unit." Ownership recorded in the name of the herd unit or any member of the herd unit must be indicated on the entry blank as a partnership for that junior exhibitor.

4. **JUNIOR EXHIBITORS MUST SHOW THEIR OWN ANIMALS.** Exceptions will be made only for exhibitors who may be physically impaired, who have two animals entered in the same class, or an exhibitor absent on show day due to other commitments. In case of these exceptions another boy or girl **who is eligible to be an Ohio Junior Division Exhibitor** may lead the animal **with the authorization of the Superintendent in charge**. If a Junior Fair Livestock Exhibitor cannot be present at the time of judging, the exhibitor will need to present to the Superintendent's Office a written permission notice signed by the football coach, band director or any other person in charge of an activity that is in conflict and prevents the exhibitor from being present at the time of judging. This notice must be presented on official letterhead of the organization prior to show day and include name, county, birthdate, home phone number, and complete address of the exhibitor's home and work phone numbers of the person in charge of the event (i.e., football coach, band director, etc.) and a brief description of the conflict.

5. Grain, hay and straw will not be provided, including the first bedding, but will be available for purchase.

6. Any breed failing to exhibit a **total of 20 animals** or more each year in a three year period will be cause for discontinuing that breed in future shows.

7. Exhibitors shall not water their animals at the hydrants. They must be watered in their stalls.

8. Permission for late arrival or early release **MUST** be obtained from fair management.

9. For entering Showmanship see each breed division. All animals in showmanship classes must be shown with assigned show harness numbers. The animal used for showmanship must be one entered and shown by exhibitor in breeding classes. All dairy showmen must wear white trousers, white shirts are preferred, however, colored dress "farm" shirts may be worn. Exceptions: Jerseys and Guernseys. (see breed listing) This dress code shall be followed in all individual breeding classes as well as showmanship classes.

10. Parking permits are available only if you show in open class. See Open Class Dairy Cattle Division for procedure and cost.

RULES GOVERNING HANDLING OF MILK

The Ohio State Fair Management will make every effort to provide dairy exhibitors satisfactory facilities and service in the handling of milk at the Ohio State Fair. Milking machines will be provided in the parlor only and a dumping station is provided for those who milk in the stall.

Milk handled at the Ohio State Fair will be used for human consumption. Samples will be checked daily for the presence of antibiotics and the tank will be sampled for a bacteria count. Any exhibitor supplying milk in which antibiotics are found will be barred from selling milk the remaining days of the fair and **WILL BE** held responsible for any milk that is dumped.

The milking parlor will be under the direction of the supervisor in charge. There will be hot water and cleansing agents to maintain sanitary equipment. Only clean equipment will be accepted and **MUST** be checked by a representative of the Ohio Department of Agriculture **PRIOR** to the first milking at the fair. Times that the representative will be available will be posted in the parlor area. All such equipment must be washed after each milking period in the milking parlor wash area. Milk cans will not be supplied by the fair management. All milk shall be delivered in clean, hooded pails or cans and must be free of foreign matter! Any animal that is milked in the milking parlor area **MUST** be free of manure.

Each exhibitor will be asked to complete and sign a **MILK AGREEMENT FORM** prior to the first milking. Information contained on the form is important for the state fair management, the supervisor of the parlor, and payment for milk sold during the fair.

With any and all of the above guidelines, the supervisor and personnel of the parlor and dumping station will be in charge of decisions regarding the cleanliness of the cows and the equipment. Their recommendations and/or instructions shall be followed. Unsatisfactory results could lead to immediate termination of milking privileges.

Milk will be received on all days between the hours of 5:00 a.m. and 8:00 a.m. and 5:00 p.m. and 7:00 p.m. The parlor will open from 5:00 p.m. to 7:00 p.m. on July 28 and 5:00 p.m. to 7:00 p.m. on August 4 and close by 4:00 p.m. on the final day of the fair.

Dairy office announcements will alert exhibitors 30 minutes prior to the parlor closing. On show days, follow the schedules that will

be posted in the parlor area, the dairy office door, and locations throughout the barn. **EVERY** effort will be made to maintain flexible hours for exhibitors prior to and following shows.

The Ohio Purebred Dairy Cattle Association will be responsible for dispensing individual checks to exhibitors for their share of the milk sold.

It is very important to remember that spectators are observing every phase of our operation. It is crucial that we make a **GOOD IMPRESSION** if we are to maintain positive communication with consumers.

STATE 4-H DAIRY CATTLE JUDGING CONTEST

The Ohio State Fair sponsors awards for this contest as well as the Franklin County Farm Bureau. However, in order to provide for a quality, educational experience, the state contest is held prior to the Ohio State Fair at the Spring Dairy Expo in March. The earlier date provides for ample time to prepare selected dairy 4-H individuals to prepare for the national contests in the fall. The following awards have already been mailed to the count offices of the high individuals and teams. Listed below are the awards and their sponsors.

SENIORS

1. The ten highest scoring contestants received awards provided by **THE OHIO STATE FAIR**. In addition, some Honorable Mention ribbons were given to places II and beyond.
2. The five highest scoring county teams of three or four members received awards provided by **THE OHIO STATE FAIR**.
3. In addition to funds provided by **THE OHIO STATE FAIR**, the dairy judging teams receive financial support from **COBA/SELECT SIREs and OHIO P.C.D.A.**
4. Awards for the top ten individuals in **ORAL REASONS** were sponsored by **FRANKLIN COUNTY FARM BUREAU**.
5. **JUNIORS** were presented rosettes for the top five teams and individuals.

DAIRY CATTLE JUDGING CLINICS FOR 4-H AND FFA YOUTHS

Two separate judging clinics will be held during the 2007 Ohio State Fair, one during each week. **ALL** currently enrolled Ohio 4-H and FFA **YOUTH** are welcome to participate. Registration will take place 30 minutes prior to the state of each clinic. Judging will consist of 4 separate classes representing both heifers and cows of the breeds available. Senior division contestants will give two sets of oral reasons on two cow classes. Junior division contestants will also be encouraged to present reasons, but a reasons score will not be tabulated.

Although this event is termed as a clinic so that classes can be discussed after cards are turned in, it is also a contest in which individual results will be tabulated and posted. Participants will be able to view results on the bulletin board just outside of the dairy office as they become available.

Overall winners in both junior (14 yrs and under) and senior (15 yrs and over) divisions for the two (2) contests will share \$210 in premiums as follows:

Senior Division	1	2	3	4	5	6
	\$30	25	20	15	10	10
Junior Division	1	2	3	4	5	
	\$30	25	20	15	10
