

Camp Fire USA builds caring, confident youth and future leaders

Camp Fire USA is in the midst of our year long **Centennial Celebration**. In 1910 Dr. Luther and Charlotte Gulick founded the first non-sectarian organization for girls in the United States, Camp Fire Girls. In 1975 our organization was expanded to include boys. Our coed programs allow parents to consolidate schedules for both their daughters and sons.

Then, as now Camp Fire's goals are to enhance children's lives through programs aimed at a youth's individual development to become self-reliant, caring members of their families, their schools, their communities, and their nation while including sports, games, crafts, camping and more. We encourage every child to discover his or her talents in a safe and secure environment. In Ohio our Councils are serving youth from Pre-school – 21 yrs.old through our camps, clubs, before and after school programs, environmental education, self-reliance and service programs and youth leadership opportunities.

Join us at the fair as a participant, volunteer or just for fun. More information at <http://home.wideopenwest.com/~mschaefer/>
