## NEW for 2016

### OHIO YOUTH HIGH POINT AWARD

A new award will be offered this year at the Ohio State Fair Llama and Alpaca Show for Ohio youth showing llamas or alpacas in 4-H or FFA. To qualify, a youth must be a member of their county's 4-H or FFA program and be enrolled in the Llama and Alpaca Project #132. Youth must show their project llama or alpaca at the Ohio State Fair. Youth participating in this program are not allowed to show intact males over 18 months of age.

Points will be tabulated according to the exhibitor's placings in all youth-eligible classes. These classes include (1) showmanship, (2) trail pack, (3) companion public relations, (4) freestyle obstacle, (5) youth judging, (6) llama and alpaca project book and (7) youth fiber project. Halter classes and costume will not be included.

All age groups are eligible to compete, with all levels competing against each other. One High Point Award will be given. In case of a tie, the youth who is awarded first place in showmanship will win. If further tiebreakers are needed they will be awarded to the youth scoring the highest in freestyle obstacle, then project book, companion public relations, fiber, trail pack and youth judging. **EXHIBITORS MUST** check the box on the entry form that says 4-H or FFA to be eligible to compete for this award.

A banner and \$100 premium from the **Youth Reserve Program** will be awarded to the High Point Exhibitor.

## SHOW INFORMATION

1. Llamas and alpacas will be housed in the Brown Sheep and Llama Building. This is a large open air building with the Arena in the center and water and electricity close to each stall. The floor is concrete. Utilize as many 7' x 14' stalls as you need for your animals and tack, overnight sleeping accommodations, and one for your Farm Display at no additional cost. Tack is not permitted in animal stalls. Stalls will be 7' x 7' when you arrive. Pull the pin on one side and swing the center divider panel back to make a 7' x 14' stall. Please do not over crowd animals in stalls and be sure to bring enough high velocity fans and extension cords and multiple plugs. The plastic box fans will not help keep your animals cool. Duct tape all cords overhead. Secure water buckets with bungies. Keep ALL stalls neat and clean looking at all times. Bring a broom to keep the area clean around your stalls. Please do not hang curtains or solid structures that restrict air flow. Bedding for your animals can be whatever you desire for concrete flooring. You do not need to clean out your stalls before leaving. Something should be brought to keep urine contained in the stall (kitty litter, oil-dri, etc.)

Arrival time is 8:00 a.m. until 1:00 p.m., Thursday, July 21. Show begins at 2:00 p.m. Thursday, July 21. Driving into the facility and help with unloading will end at this time. Show crew and exhibitors with special concerns may come in on July 20 anytime after 12:00 noon. There are two entrances provided, drive in and the crew will help you unload. Please be prepared when you pull in to unload as quickly as possible. Trailers will be dropped on Korbel Avenue and you can park your vehicle on top of the Gilligan Building.

2. All llamas showing in halter or fleece classes must be registered or listed with the ILR (including Non-breeders). Non-breeders, which are not designated as such on their Registration Certificate, must have a veterinarian certificate verifying the animal is a gelding, vasectomized male, or a spayed or non-reproductive female. Llamas and Alpacas being shown in Performance or Youth Classes only must have an ILR tracking number if they are not registered or listed. The cost is \$10 per year and you must obtain this number from the ILR before submitting your entry form.

3. Youth age divisions for all performance classes, showmanship, youth judging and project books: ages 7 - 11 - Junior; ages 12 - 15 - Intermediate Youth; ages 16 - 19 - Senior Youth.

4. Llamas and alpacas must be entered on the entry form by the exact name as listed on the Registration Certificate and by their owner.

5. Out-of-state exhibitors, upon arrival need to present only a veterinary certificate of good health for each of their animals issued within 30 days of the show. Health papers are not required on in-state animals. Out-of-state exhibitors will hand their veterinary certificates in to the Llama Office. You will receive them back after the state veterinarian has checked your animals. For more information please go to Ohio Department of Agriculture website, [www.agri.ohio.gov](http://www.agri.ohio.gov), click on the Division of Animal Health.

6. Entry fee for each llama and alpaca is \$30. No charge for nursing babies under 5 months. No fee for animal stalls, farm display or tack stalls. There is an ILR \$3 per animal fee. "Fiber Products Only" - exhibitors must pay a \$3 ILR fee for all items entered and no animals. A per fleece ILR \$3 fee is also charged when that animal is not entered. These ILR fees will be paid at registration at the show.

7. Animal substitutions are not permitted from the original entry unless an animal becomes ill and prior permission is obtained from the show director (330-774-2513). The request for substitution must be accompanied by a veterinarian certificate verifying injury or illness and faxed to 330-536-8517.

8. A youth may show only one animal in performance and may not share animals for showing. Youth under the age of 12 may not show an intact male in any class. Youth participating in youth judging are expected to dress appropriately as if they were an actual judge. This includes footwear.

9. Llamas and alpacas who have changed status (from novice to advanced) in any performance classes prior to this show time must change to the appropriate class during registration. This pertains to any and all open shows and show associations.

10. There will be no class changes of any kind, including wool length, following submission of your entry form.

11. NO companion llamas/alpacas or dogs permitted.

12. Llamas and alpacas entered in the show must be stalled on site on Thursday to participate in the show. Any exceptions must be cleared thru the show superintendent at 330-774-2513. Animals may go home following their last class.

13. Mail your entry form, along with a check or credit card information for your fees to the Entry Department, Ohio State Fair, 717 East 17th Avenue, Columbus, Ohio 43211. In addition a clear copy of your entry form must be mailed to Karen Cullivan, 1879 S. Meridian, Youngstown, OH 44511. Deadline for both of these is postmarked June 20.
